2. How do you maintain your physical, mental, emotional and spiritual wellbeing? What are your personal challenges in these areas?
3. Define self-responsibility as you understand it and expand on how you feel prepared or unprepared to practise it.
4. When you take on a commitment, what specifically do you understand that to mean and how seriously or how lightly do you take it? How would that apply to your participation in the programme?
5. What are you avoiding in your life?
6. Please detail here any further information you wish to include that is not covered so far in your application.

There is no fixed word count for these questions, but please do **no more** than a page on any one question

Support and help in paying your fees

Karuna Fees are payable annually at the commencement of the training year. There are a number of ways in which the student can pay the fees. Below are some organisations who may be able to provide assistance.

Career Development Loans : You may be eligible for a Professional and Career Development Loan (only the two MA Programmes). Professional and Career Development Loans are commercial bank loans that you can use to help pay for work-related learning. You can borrow between £300 and £10,000 to help support the cost of up to two years of learning (or three years if it includes one year's relevant unpaid practical work). The Government will pay the interest on the loan while you are learning and for one month afterwards. You will then need to start repaying the loan as you would any other commercial loan product. You can use the loan to pay course fees or other costs such as travel and living expenses. You can also use the loan to supplement other forms of support such as grants or bursaries. As the Professional and Career Development Loan is a commercial loan product, you should make sure you have investigated all the funding options that may be open to you to ensure you take an informed decision about whether the loan is right for you.

For further information on financial assistance to support your learning, please visit the GOV.UK website or contact the National Careers Service on 0800 100 900.

Payments including CARDEX - Payments by Credit/Debit Card

Payments may be made **either** by sterling banker's draft, made out to Karuna Teachings Limited; by sterling cheque, drawn on a UK Bank made out to Karuna Teachings Limited or by debit/credit card using the CARDEX system. These must be paid by the date given by Karuna's Student Finance Officer and before the course starts. If you decide to pay by debit/credit card then it is your responsibility to contact Michelle Davey, the Student Finance Officer, in order that she can process the payment(s)

Charitable Trusts

Some trusts will support student training by the provision of a grant. An organisation, EGAS (Educational Grants Advisory Service) will provide help in identifying appropriate charities. But students must contact them individually to obtain a Student Questionnaire tel: 0202 7254 6251, or email egas.enquiry@fwa.org.uk or view – www.egas-online.org It is likely that only small amounts may be available, but it can still be very useful. When using the service just type in the word 'Psychotherapy' otherwise EGAS will tell you that there are no suitable trusts.

Association of Charitable Foundations

This organisation can provide details of charitable trusts through its website www.acf.org.uk On the website you will also find a document which may assist in applying for a grant and there is a special one if you are an overseas student.

Overseas Student help

The British Council provides information for students wishing to study and qualify in the UK. Grants and other sources of funding can be found on their web site: www.britishcouncil.org
Telephone (within UK) 020 7389 4383

These are samples for information only. The original offer including Course Information Letter, Course Conditions and Terms and Conditions will be sent with you when an offer is made.

6.1.2 The Karuna Institute will invoice you for the Fees, to be paid on the date stipulated in the invoice.

6.1.3 If payment is not made, the provisions of clause 6.4 may come into force.

6.1.4 You are contractually obliged to pay the Fees and all other Charges on the dates they fall due from the moment the Contract is formed under clause 2.1.2.

6.1.5 Payments may be made **either** by sterling banker's draft, made out to Karuna Teachings Limited; by sterling cheque, drawn on a UK Bank made out to Karuna Teachings Limited or by debit/credit card using the CARDEX system and these must be paid by the date given by Karuna Institute's Student Finance Officer and before the course starts. You agree that if you decide to pay by debit/credit card then it is your responsibility to contact Michelle Davey, the Student Finance Officer, in order that she can process the payment(s)

6.1.6 Karuna Institute confirms that there are no added Karuna Institute costs to the Fees, except for an annual clinical contract (after the end of Year 3 if not proceeding to the Clinical Year or after the Clinical Year there is a fee for this), accreditation application fee, individual psychotherapy and supervision, along with some course texts. These charges are set out in the Course Information and any further charges will be notified to you as you progress through the Course.

6.1.7 You should advise Course tutors of all difficulties in financial matters discussed with the Finance Officer who will in turn inform tutors of any such discussions so that there is transparency, and the Institute can establish a congruent relationship with Trainees.

6.2 Deposits

6.2.1 The Karuna Institute reserves the right to require a deposit towards your Fees.

6.2.2 Details of any deposit that you are required to pay will be set out in your Contract Information.

6.2.3 Where a deposit is required your place will not be guaranteed until it is paid and the Karuna Institute reserves the right to withdraw the offer of a place on the Course without further notice to you if the deposit is not paid by the date stipulated in the Course Information.

6.3 Withdrawals

6.3.1 If you Withdraw within the first three weeks of your Course start date, in addition to any statutory cancellation rights which may apply to you under clauses 2.2.3 and 2.3.3, the Karuna Institute will refund any Fees paid, but any deposit paid will be retained as a contribution towards the Karuna Institute's reasonable costs and losses.

6.3.2 If you withdraw after the first three weeks of your Course start date, but before the end of an Academic Year, refunds of Fees paid are not automatically given unless you retain a statutory right to cancel under clause 2.1.4 which entitles you to a full refund.

6.3.3 Please note that leaving the Course has interpersonal learning consequences for the training group of which each individual is a member, and financial consequences for the Karuna Institute. The latter is due to the Karuna policy of retaining a training group's membership throughout. The Institute does not therefore, unless in the exceptional circumstances of someone repeating a year or re-joining the training after a deferment, ask a group to take in new members. In some circumstances, the group will not be able to accept new members. Should a year group be reduced to fewer than 8 students it may be necessary to change the teaching format.

6.4 Deferment

6.4.1 You may defer a year of the Training in exceptional circumstances (such as serious illness or bereavement) and in cases of maternity or paternity. Deferments are requested through the executive committee of the Karuna Institute (Executive Committee). Please note that payments do not stop during such a period and you will remain liable to pay the Fees and any other Costs.

6.4.2 If you do wish to defer your course, you must give the Karuna Institute as much notice as possible and at least by 1 January.

6.4.3 If your situation is such that a deferment of longer than one year is necessary, you must write to the Executive Committee giving reasons for the requested extension of deferment, and at the latest in time for a decision to be made by the 1 January deadline.

6.4.4 The consequence of deferment is that to re-join the Course the relevant year group will be consulted and must agree to include a new group member on the basis of group viability. A Trainee who defers for a year needs to clarify with the Karuna Institute the exact date s/he intends to re-join the Training so that the necessary dialogue with the 'new' year group can be started as soon as possible. Both the year tutors currently teaching the group and the year tutors teaching the subsequent year will be included in this process.

6.5 Debts

6.5.1 If you fail to pay any Fees by the due date specified in the invoice from the Karuna Institute, the Karuna Institute reserves the right to charge you interest on any outstanding Fees on a daily basis at an annual interest rate of 2% above the base rate of HSBC until all outstanding Fees and interest are paid.

6.5.2 The Karuna Institute reserves the right at any time during the Academic Year to withdraw you from your Course until all outstanding Fees and interest are paid and/or terminate the Contract between you and the Karuna Institute.

6.5.3 Before exercising its rights under clause 6.5.2, the Karuna Institute will give you reasonable notice of its intentions, allow you the opportunity to make representations and take those representations into account in deciding how to proceed.

6.5.4 If, at the end of an Academic Year which is not the final year of your Course, you are in debt to the Karuna Institute for Fees, the Karuna Institute reserves the right not to allow you to enrol on your Course for the next Academic Year.

6.5.5 If you are in the final year of your Course, the Karuna Institute will not release your certificate, or a letter of confirmation of award, until all Fee debts to the Karuna Institute are paid.

7 Awarding Bodies

7.3 Where the Karuna Institute incurs fees, whether in respect of an Awarding Body or any professional fees (the Incurred Fees), the Karuna Institute shall notify the Incurred Fees to the Trainee in advance and the Trainee hereby agrees to indemnify and keep indemnified the Karuna Institute in full and on demand from and against all and any losses, costs, claims, liabilities, damages, demands and expenses suffered or incurred by the Karuna Institute arising out of, or in connection with, the Trainee's failure to pay the Incurred Fees.

You further agree that your details may be passed on to Karuna's Accredited Colleagues and member organization ACP (Association of Core Process Psychotherapists).
